Beyond 2010: Invest in your future

Beyond 2010 is a programme that offers businesses in the East of England funding and support for training opportunities that focus on improving business performance.

Training can provide a way for businesses to push into a new area of work, improve employee skills or make current activity more effective. It can be used to address a wide range of business needs from management skills to computer design techniques to give that all important competitive edge.

Beyond 2010 support is available across the following sectors in the East of England region:

- Advanced Manufacturing
- ICT & Audiovisual
- Financial & Business Services
- Food & Drink Chain
- Life Sciences
- Energy
- Social Enterprise
- Sustainable Communities and the Built Environment
- Tourism in support of Olympics
- Transport Gateways & Logistics

“We identified the need to give our new graduate staff the field skills and confidence to carry out their work”

THE ECOLOGY CONSULTANCY

Plan your training

Beyond 2010 sector specialists will work with you to select a training programme that can best address the challenges facing your business.

Reduce the cost and reap the benefits

Beyond 2010 can provide up to 70% of the cost of training to make your business run better.

“The flexibility of Beyond 2010 was essential”

SOUTHWOLD PIER LTD

“Beyond 2010 was the first piece of quality funding we found without having to dip into our own pockets totally. It enabled us to attend an excellent course”

DOOLEY RUMBLE LTD

“We required technical training that was not offered by other projects; Beyond 2010 was really able to help in our environment”
