When you have a vacancy, we will advertise the role on our FoodEast website. In order to then leverage maximum exposure and reach for you, ThreePeople will post it on a range of relevant national and local Job Boards including potentially;

The Telegraph, Guardian, Jobsite, Totaljobs, Monster, Reed, Fish4, etc, and, of course on FoodEast's job vacancies page.

ThreePeople's service covers;

- An individually designed Internet Advertising Campaign optimized for search engines, keywords and phrases aimed at each specific vacancy and company.
- Access to the broadest range of Job Boards with each advert targeted at the industry sector, job function, location, management level and salary limit.
- Experienced and proven understanding of internet resourcing / recruitment methods to reach the full range of potential candidates.
- Response Management of all applicants in compliance with UK Employment Law including all acknowledgement, feedback and rejection communications.
- Recommendation of the right candidate profiles for progression to interview stage.

ThreePeople are happy to discuss any role(s) you may wish to fill and the candidate skills/ experience you are looking for. They create the precise advertisement you need and confirm exact costs. Because ThreePeople can access discounts and pass them on to you then you gain and they expect to be able to offer these services for a budget figure in the region of **£750 - £1,250**. Exact costs depend on breadth of coverage and nature of response management / screening required. Email [jane.mills@threepeople.co.uk](mailto:jane.mills@threepeople.co.uk) or call 01275 815333
